Many other local coaches and college players will participate as part of the camp staff. This camp maintains a very high standard for coaching staff.

The Elite ODP Skills soccer camp is dedicated to the skilled soccer player trying to take their game to the next level. The camp has been operating since 1996 and a large number of players from this camp have been selected to District, State, Regional and National ODP teams.

Players from the Elite ODP Skill Camp have gone on to play college soccer at many levels. Past campers have played for: The Air Force Academy, The Naval Academy, The University of South Carolina, Marshall University, The University of Mary Washington, The University of Richmond, and many more.
