Treasury Report

- If coaches have not been paid for last season, they need to provide the form to Kari as soon as possible
- Registration system is online and we ask for patience during this first time use
- Coaches usernames and passwords are being created and will be provided soon for access into the registration system
- Scholarship application forms are available on the website and please have parents fill them out and turn in. The money will be directly credited to the balance in the on-line registration system.
- The scholarship program provides \$125.00 per season
- Team tournament registration can be accomplished in 2 ways
  - Provide the completed tournament registration information to Kari and FASA will mail a check for the tournament
  - Have the team pay for the tournament, provide receipt to Kari, and FASA will provide reimbursement to the team

Fields Update

- FASA has received approval to use Spotsylvania Counties Patriot Park for some games in the fall. The county will line the fields for small sided and the club will have to provide the goals
- Special Thanks to Marcello for assisting with scheduling of practices for the fall. An email with detailed information will be sent to coaches and managers

Registrar Report

- New Rosters will be completed by 1 Aug

TOPS Soccer

- Current planning is underway for locations and information will be provided in the coming weeks. Looking forward to a very positive and rewarding program

#### Elks Lodge Report

- FASA will be meeting with the newly elected Elks leadership to discuss a long term lease and build upon a positive relationship
- The club is looking at options to replace the fence

#### Field of Dreams

- FASA met with a second bank to discuss financing options. Both banks provided positive feedback about the viability and stability of the club finances. A decision is to be made soon.
- Phase I of the project will include FASA and VYSA soccer fields

#### Merger Update

- The FASA Board and Gunners Board met to discuss the merger and FASA has provided the Gunners response to requests from that meeting. We are currently awaiting the Gunners response to FASA requests.
