FASA has taken over the summer programs at the Field House. Will be run by FASA coaches. Will be called "The Academy."

### *TRYOUTS*

Fees for Fall Season will be increasing. Not sure of the % of increase, but the board is following a process to make sure all obligations for the club are met – not a random increase. The new fees will be posted before tryouts.

Schedule will be on the website soon and in the newspaper.

There is a new online registration process. At upcoming try-outs managers are reminded that all players must have a parent sign their child's registration form. The registration form is available on-line and has changed - parents now sign in two places: one says that they agree to follow their respective league's and FASA's code of conduct. The other states (1) that once they have made payment and accepted a spot on the team, their payment is non-refundable and (2) that they have or will read FASA's Constitution and By-Laws and they agree to abide by the By-Laws and Constitution.
