## Fredericksburg Area Soccer Association Names Adam Smith 2007 Scholarship Winner

The Fredericksburg Area Soccer Association (FASA) is delighted to announce that Adam Smith, a senior at Massaponax High School in Fredericksburg, Virginia, was awarded our 2007 Annual College Scholarship. Adam will receive \$500 for tuition, books, and other school expenses. FASA awarded two Scholarships in 2007.

Smith will enroll in Virginia Wesleyan College, Norfolk, Virginia in the fall of 2007, where he plans to play soccer.

Chosen for the scholarship in recognition of his outstanding academic & athletic achievements, creativity, drive, and leadership, Adam played several years as a standout for various FASA Soccer teams. He has been involved in the Virginia Olympic Development Program (ODP) and was on the Central District Team for four years (2002 - 2005). Adam also played on the Richmond Kickers Super Y team in 2005 & 2006 and attended Super Y National Camp in 2006. At Massaponax High School he has played Varsity soccer for 3 years and is a Senior Team Captain.

Adam was on the Varsity Swim Team for four years where he earned a letter each year. While at Massaponax Adam was a member of the National Honor Society, German Honor Society, Latin Club and earned Academic Letters in 2002 & 2005. He has been in Boy Scouts for years and is in the process of completing his Eagle Project.

The Fredericksburg Area Soccer Association established the College Scholarship Program to recognize student athletes that have been part of the FASA family and have excelled on and off the soccer pitch. FASA will continue to award the scholarship to at least two individuals on an annual basis. FASA is very proud of our student athletes and their positive impact on our local community.

On behalf of the entire organization, I would like to recognize Adam as an exceptional individual and wish his good luck as he begins his life at Virginia Wesleyan this fall.

Kind Regards,

Pete Cinalli
