## **Fredericksburg Area Soccer Association Names Ryan Luttrell 2008 Scholarship Winner**

The Fredericksburg Area Soccer Association (FASA) is delighted to announce that Ryan Luttrell, of Riverbend High School in Fredericksburg, Virginia, was awarded our 2008 Annual College Scholarship. Ryan will receive \$500 for tuition, books, and other school expenses. He is currently attending Virginia Tech University in Blacksburg, Virginia. FASA awarded two Scholarships in 2008.

Chosen for the scholarship in recognition of his outstanding academic and athletic achievements, creativity, drive, and leadership, Ryan played several years as a standout for various FASA Soccer teams. At Riverbend High School he played Varsity soccer for 2 years. Ryan was also on the Track Team where he was the Rookie of the Year in 2006 and earned First Team All Region and All District in 2006 and 2007.

While at Riverbend Ryan was a member of the National Honor Society, National Technical Honor Society, Spotsylvania Drafting Program and Skills USA. He also achieved perfect attendance and Excellence awards and was a member of Young Life. He currently is a member of Pi Lambda Phi and the Virginia Tech chapter of Young Life.

The Fredericksburg Area Soccer Association established the College Scholarship Program to recognize student athletes that have been part of the FASA family and have excelled on and off the soccer pitch. FASA will continue to award the scholarship to at least two individuals on an annual basis. FASA is very proud of our student athletes and their positive impact on our local community.

On behalf of the entire organization, I would like to recognize Ryan as an exceptional individual and wish him good luck as he continues his life at Virginia Tech this year.

Kind Regards,

Pete Cinalli
