

Hotspur Philosophy and Commitment to our Community

The Fredericksburg Area Soccer Association (FASA) is a non-profit organization dedicated to the development and promotion of youth soccer. In addition to developing exceptional soccer skills, we believe the experiences our players gain helps them develop self confidence and is something that impacts them throughout their lifetime.

The Best in Youth Soccer

The Hotspur "tradition" is to provide each player with the opportunity to play at various levels of competitive soccer - locally, state wide, even nationally. Our goal is to help each player achieve constant improvement and develop excellent individual & team skills. The Hotspur club is committed to making every player's experience a positive one, and developing them in a positive teaching environment. We want to help our players achieve their individual GOALS!

Who Can Participate?

Any boy or girl between the ages of 8 & 18

Hotspur Affiliations

FASA is a member of the Washington Area Girls Soccer Association (WAGS), National Capital Soccer League (NCSL), Virginia Soccer League (VSLi), Old Dominion Soccer League (ODSL), Virginia Youth Soccer Association (VYSA) and the United States Youth Soccer Association (USYSA).

Where are the Games Played?

FASA Hotspur home games are played primarily at Hotspur Park and Legion Fields (track & stadium). Away games will depend on the league your team plays in. WAGS, NCSL & ODSL games are north and Virginia Soccer League games are South.

There are also Tournaments (in state & out of state) and other special events (such as State Cup) that Hotspur teams can participate in. FASA Hosts a Labor Day Tournament each year. The **Fredericksburg Cup** takes place locally and hosts teams from several states.

Player Development

In addition to the quality team training each player receives, we hold additional training opportunities and camps throughout the year. This includes our Advanced Skills Development Camp and many others. For example, we have been hosting the Elite Soccer Camp (run by ODP coaches & training staff) each summer - and offer additional a variety of specialized training camps / programs including Ongoing Goalkeeper Training, Coerver (ball skills) camps, etc.

Our goal is to offer quality training opportunities to help develop our players to their ultimate potential. Visit the **Coaches Corner** page of our web site for the latest camp schedule & information.

Hotspur Staff

FASA is fortunate to have a staff of excellent and experienced soccer coaches. Our staff includes both National & State licensed coaches (USSF & NSCAA) that participate regularly in coaching clinics, seminars and instructional courses to enhance their soccer knowledge and coaching skills. We currently have coaches that are part of the Virginia Olympic Development Program (ODP) training staff - and we fully support and encourage our players to participate in the ODP program.
